## Experience

### **Designer, Kraemer Design, NY 11.2006–04.2007**

Designed invitations, presentations, folders and advertisements for multiple clients. Updated existing print and web designs. Oversaw and coordinated the production process and performed press checks.

### **Imaging Specialist, Time Magazine, NY 01.2001–06.2006**

Collaborated in the weekly production of Time Magazine, Time for Kids, Life Magazine and many additional outside projects. Performed extensive photo-retouching, color correction, compositing and prepared graphics for press. Established the use of Photoshop actions to automate repetitive imaging tasks. Worked with art directors and designers to unify photographic and textual elements.

### **Assistant, John Dolan Photography, NY 02–06.2000**

Responsibilities included scanning, Photoshop retouching, design work and maintenance of several Mac OS computers.

### **Graphics Intern, Dial Books, NY Summer 1998**

Produced preliminary layouts for two books. Additional tasks included scanning and revising existing book designs.

### **Intern, Print Magazine, NY Summer 1997**

Participated in multiple aspects of the production of two issues of the magazine, including layout, editing, proofreading and research. Wrote an article published in the F.O.B. section.

### **Consultant, CFA Lab, Wesleyan University, CT 1997–1999**

Provided support in a wide range of applications for students and professors. Solved numerous printing and software problems. Designed promotional materials for the lab, including a new logo.

## Skills

Expert in the Mac OS, InDesign, Quark Xpress, Illustrator and Photoshop. Proficient in Acrobat, Dreamweaver, Filemaker, Flash, Windows OS, and Microsoft Office.

Experienced in letterpress printing and preparing digital files and mechanicals for press.
